About Me

- - - - x

In 2020, Lisa's Local Art was founded by myself Lisa Jefferies. I am a Bristol based artist, creating colourful and uplifting artwork and gift ideas.

I specialise in florals, landscapes and take on commission work. My work is predominantly acrylic and mediums on canvas. I often showcase my work at local events and also have work on display in the local community.

I really enjoy seeing the joy my work gives to people and love seeing photos of my work in their new home.

Commission An Artwork

I offer a bespoke service creating commissions which cater to your needs. This begins with identifying what your requirements are and what colours you are looking to incorporate in a one off piece that will fill you with excitement!

“ I showed Lisa some of her previous work I liked and wanted her to base my painting on. She kept in touch throughout, lots of updates at every stage, I couldn't be more pleased. ”

-Claire Knight

How does it work?

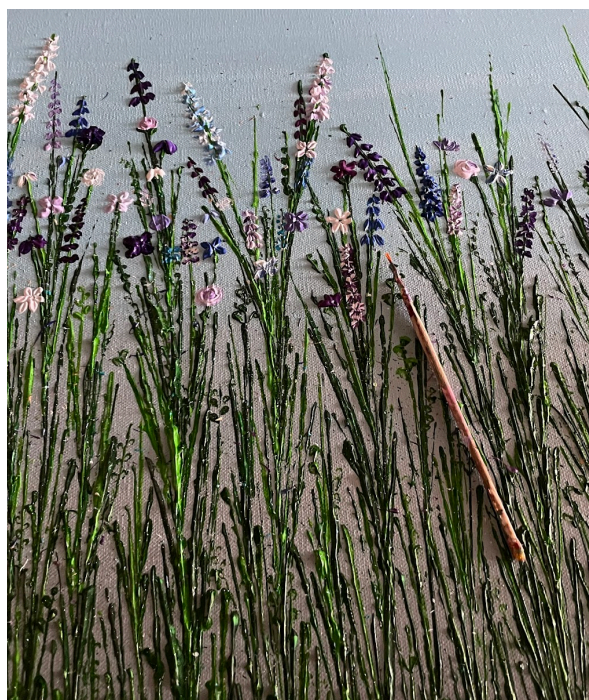

- - - - x

Describe your perfect artwork, think about size and style and let me know if you are working to a budget.

It is important that you view my website, so that you can see my style of artwork.

Once you know what you're interested in and your **ready to commission** your very own unique art piece, please **contact me** via the website (www.lisaslocalart.co.uk/commissions) or send me an email (lisaslocalartbristol@yahoo.com) or contact via my socials.

Once you have submitted a request I will be in touch to discuss the next stage of the process. From here if you would like to proceed, I will give you a **timescale** and an approximate date of when this can be booked in. In most circumstances there will be a **small deposit** to pay, this will all be agreed upfront. Collection/Postage of your painting will also be agreed.

I can't recommend Lisa highly enough, she commissioned a painting for me & exceeded all my expectations ! I'm so in love with my canvas & wake up every day to my stunning artwork & smile 😊 Lisa was very engaged during the consult process of figuring out what I wanted (I also changed my mind once or twice 🙄) & suggested options of how to achieve my idea. She quickly replied to any questions I had & made me feel completely at ease with her. I fell in love with her work after noticing a friend had shared one of her pictures on fb & from then was hooked at viewing her paintings. The pricing is excellent & I've shared my experience with anyone that will listen 😊 A friend of mine has already ordered a canvas. I didn't know about Lisa before I saw the shared post but am so happy I scrolled across it. Lovely lady, very talented & I can 100% guarantee you'd be overjoyed with her work. Thank you Lisa xx

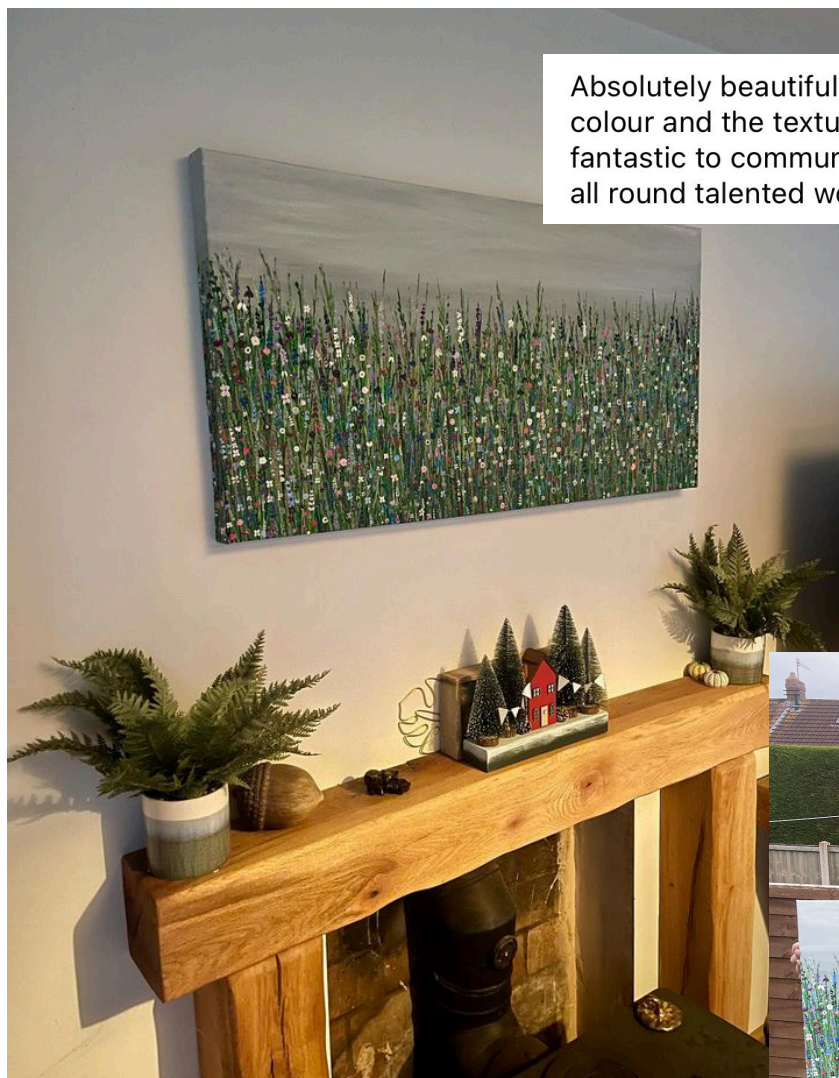

I came across this lovely lady on facebook and have been following her work since the end of last year. My husband said I could get a commission done for my birthday and I couldn't be more pleased with it! I showed Lisa some of her previous work I liked and wanted her to base my painting on. She kept in touch throughout, lots of updates at every stage, I couldn't be more pleased. Professional, friendly, amazing attention to detail and so very talented! Also ordered greeting cards and a bookmark which were fab as well. I will definately be ordering more soon! Thankyou so much - it's perfect 😊 Claire x
